Dear colleagues

I am writing to you in the light of correspondence you will have received which includes a press release from an organisation purporting to represent 470 NGOs.

At a hearing on the subject organised by the S&D Group last week, Rachel Moran, a survivor of prostitution, made it very clear that these are in fact organisations comprised of pimps etc. I hope that you will take this into account, since it is clear that the information you have received is not what it seems and is incorrect.

Please also see attached rigorous academic research from Dr Maddy Coy, Course leader M.A. Woman and Child Abuse, London Metropolitan University, which provides strong evidence about the efficacy of the Swedish model.

The second attachment is a copy of my amendments for the forthcoming Plenary, which I hope you will be able to vote for.

Yours sincerely

Mary Honeyball
